DESTINATION EVENTS ABOUT US

Rome New Year is organised by one of Europe's foremost event organisers – Destination Events Ltd.

Destination Events boasts a supremely accomplished, experienced and dedicated team of staff. They are expert, not only in the production of world class events, but also in the delivery of superb hospitality arrangements and educational touring experiences for performers in their events.

The Comune di Roma, and the Arts and Cultural Departments of the City ensure that the Rome Parade is an outstanding event on New Year's Day. We, the organisers, receive from the Rome Administration every assistance in operating and presenting the event. The City of Rome actively supports and promotes the event.

Meet key member of the Destination Events team by visiting the [Destination Events](#) website.

With a dedicated team of experts and consultants, Youth Music source groups for Destination Events to be considered for an invitation to Rome New Year. Once a group has been accepted for invitation by Destination Events and the parade's patrons and sponsors, Youth Music then develops a unique performance tour to make it possible for the group to participate in Rome New Year.

Meet key members of the Youth Music team by visiting the [Youth Music](#) website.

THE PARADE

The Parade on January 1st is the central point of the week long Festival. Huge numbers of people come out to the route of the Parade to watch and enjoy the performances of all the acts taking part. The warm and friendly crowds are simply incredible. The Parade begins at 3:30pm and ends at 5:30pm.

It passes through:

- ★ [Piazza del Popolo](#)
- ★ [Via del Corso](#)
- ★ [Piazza di Spagna](#)

PASSPORTS & VISAS

Before embarking on an international flight to Europe you must have a valid passport. The passport should have an expiry date of at least six months after the date you return to the United States. If you need to secure a passport for the first time, please ensure that you do so as soon as possible, allowing a minimum of eight weeks.

Holders of full USA passports (American Citizens) do not need a visa to enter Italy.

Holders of non-USA passports may need a visa to enter Italy. Full information of which passport holders need visas to enter Italy are available on the Ministry of Foreign Affairs of Italy website. The same website will tell you where and how to apply for your visa. [Click here](#) to visit the website.

On occasions, to secure a visa, you will need a letter from Destination Events to confirm that you are a member of a performing group in the event and that you will be entering and leaving Italy on specific dates and that accommodation is provided for you whilst you are there. Destination Events can supply such a letter, but need a minimum of 10 days notice if such a letter is required. Some visa applications can take several months. If you do not have or are not eligible to have a full US passport, check if you need a visa and make your application as early as possible.

Non-American Citizens staying in the USA on a Green Card, should also check with the Department of Homeland Security to ensure that they will be able to re-enter the USA without difficulty after their visit overseas. [Click here](#) to visit the website.

We are committed to helping any group members who need assistance in the visa process.

PASSPORTS & VISAS continued

From early 2025 over 1.4 billion people from over 60 visa-exempt countries are required to have a travel authorisation to enter most European countries. This is called [ETIAS \(European Travel Information and Authorisation System\)](#). ETIAS is linked to a traveller's passport, and it is valid for up to three years or until the passport expires. If you get a new passport you will need a new ETIAS.

With a valid ETIAS travel authorisation, you can enter the territory of these European countries as often as you want for short-term stays- normally for up to 90 days in any 180-day period. However, it does not guarantee entry. When you arrive, a border guard will ask to see your passport and other documents and verify that you meet the entry conditions.

You can fill out the application form using either the official [ETIAS website](#) or the ETIAS mobile application. Applying for the ETIAS travel authorisation costs 7 euros, though some travellers are exempt from paying this fee.

You will receive an email confirming the submission of your application which will include your unique ETIAS application number: make sure you keep this number for future reference.

Once your application has been processed, you will receive another email informing you about its outcome.

When you get your ETIAS travel authorisation please make sure your name, passport number and other information is correct: if there is any mistake, you will not be allowed to cross the border.

If your application is refused, the email will provide the reasons for this decision. It will also include information about how to appeal, details of the competent authority, as well as the relevant time limit to appeal.

GETTING YOU TO ROME

Youth Music's staff and consultants at Performance Travel Ltd (PTL) are experts in arranging air travel from the USA to Rome for groups invited to perform in Rome New Year*.

It is a complicated business arranging air travel for what are often very large groups. PTL work tirelessly to secure the best blocks of seats with the best airlines and the most convenient schedules for performing groups.

For travelling American groups we use a mixture of British and European airlines. There are not a huge amount of direct non-stop services to Rome but there are some flights from major US gateways with American Airlines, Delta and United Airlines. Where possible we try to make use of these services**. However, more often than not you can expect an intermediary European stop en route to Rome from most US gateways. This arrangement allows us to make use of the extensive flight network of such carriers as Air France/KLM, Lufthansa/Swiss and British Airways. We try to ensure the stop en route is in the USA, allowing morning arrival times into Rome.

The service on all airlines in coach (economy) is much the same. You get a free main meal and drinks soon after take-off and maybe a small snack meal before landing. All flights booked by PTL allow you one item of checked luggage. You receive a 'carry on' as well – the sizes and weights allowed vary airline to airline. All airlines booked by PTL offer a good range of inflight entertainment.

We deal with the transportation of instruments and musical equipment in a very special and super convenient way.

TRANSPORTING YOUR INSTRUMENTS & EQUIPMENT TO ROME

One of the most beneficial and appreciated elements included in the Destination Events portfolio and provided as part of the Youth Music programme to Rome, is the hassle free way that musical instruments and equipment are transported to Rome and back to the USA.

- ★ Larger instruments* and essential equipment** are collected from your home base in the USA (school, college, university, or rehearsal centre) 15 working days before your departure and air freighted to Rome.
- ★ Everything is delivered to your hotel in Rome just before you arrive and is placed in a secure storage facility exclusive to your group.
- ★ When all performances are complete, your consignment will be collected from your hotel and air freighted back to the USA and then delivered to your home base 15 days after your return from Rome.

What do you have to do?

- ★ Complete a detailed and precise 'equipment and instrument' manifest from our template.
- ★ Ensure you have hard/durable cases and boxes for your consignment.
- ★ Pack and label your consignment accordingly.

* Smaller instruments - piccolos, flutes and trumpets - as well as uniforms, should be taken by individual performers in their checked luggage or as hand luggage.

** For concert performers we provide timpani, a limited number of pit instruments, string basses etc. without charge and so these items do not need to be transhipped.

ACCOMMODATION

It is really important to the Rome New Year organisers that every performer in the event has a great place to stay.

The hotels used are very carefully selected and regularly checked by Rome New Year staff to ensure that their standards are maintained.

All hotels used are categorised as superior first class. Standards of decor, furnishing and housekeeping are always high.

- ★ Most participants are accommodated two per room (two beds or one Queen or King bed). Most hotels can offer limited numbers of three bedded rooms.
- ★ All bedrooms have private bathrooms (some with baths and showers and some with walk in showers only) with amenities included, for example, soap, shampoo and shower gel.
- ★ All rooms have TV's, direct dial phones, and hair dryers.
- ★ All hotels offer complimentary wifi.
- ★ All rooms have mini bars that we ensure are either emptied or locked.
- ★ All hotels offer meeting room facilities to our groups.
- ★ All hotels provide locked and secure rooms for the storage of musical instruments and equipment.

MEALS

Breakfast is included every day*. A special buffet breakfast is offered to all groups in their hotel. Juices, fresh fruit, yogurts, bread and pastries, ham and cold meats, cheeses, plus hot items including eggs, and either bacon, sausage or ham etc. Hot drinks will include coffee, hot chocolate and hot teas.

Dinner is included every day. On some days this is a pre-arranged buffet or plated meal served in a banqueting room at the hotel, on others it is a meal served in a typical Italian restaurant in the centre of Rome or on a sightseeing route.

Restaurant dinners will consist of a 'primi' course, a pasta dish, a risotto dish, or a substantial soup, followed by a 'secondi' course of a meat or fish dish, finishing with a 'dolci' course where tiramisu and gelato are favourites! At one of the restaurant dinners during the week there will be singing and audience participation.

A simple two course hot lunch is provided on the day trip to Pompeii for the groups that choose that option.

*** Breakfast is not included in the hotel on the day of arrival. There will have been an offering of a very light breakfast or snack on the plane before it lands. Breakfast is included at the hotel on the day of departure either as a buffet breakfast or box breakfast depending on departure time from the hotel.**

SIGHTSEEING IN AND AROUND ROME

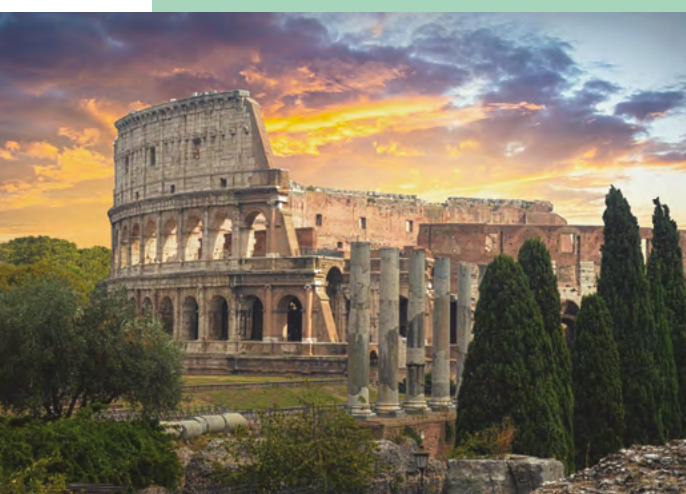

It is very important to us and to our patrons, sponsors and supporters that all Rome New Year participants receive a fantastic impression of Rome during their time here.

We start by securing great hotels, sourcing quality meals and, of course, providing excellent stages on which to perform.

Then our brilliant team of experienced itinerary planners and hosts come into play to create and deliver a stunning collection of tours, visits and opportunities that give, in a short time, a terrific overview and introduction to the long history and rich culture of Rome.

Whenever transportation is included in our programme it is provided on luxury, modern motor coaches. They are fully certified to the highest levels of industry safety and security and with experienced, safe and qualified drivers. Modern Italian motor coaches have large panoramic windows, state of the art sound systems, passenger seat belts and have effective air conditioning systems. All motor coaches provide a smoke free environment and our drivers are not permitted to smoke whilst on duty. All transportation for the Rome programme is by motor coach, no public transport is required.

Our guides are all fully qualified, licensed and speak excellent English. We choose guides who are able to provide educational, interesting and fun commentary and who can relate well to students.

Today, it is one of Italy's leading tourist attractions and is a UNESCO World Heritage Site. Youth Music's Directors of International Participation, along with their consultants are constantly scouring the Americas for groups we would like to invite to take part in Rome New Year.

If you are contacted by a member of the Youth Music team and are interested in going a step further, then Youth Music will put your name before the steering committee for approval. If you secure this approval, then you will receive written confirmation that you have been accepted for invitation.

You will then enter into negotiations with Youth Music, who will produce for you a document entitled 'Offer of Performance Tour'. This encapsulates your discussion with Youth Music, listing out the dates that you would travel and the gateway you would travel from, the number of places we can offer you, an exact listing of performance, hospitality and educational touring features, and a price and payment schedule. The final page of this document requests that you secure signatures from all relevant parties that you may accept the offer.

Once accepted, the Offer Document is returned to Youth Music/Performance Travel, who then create a contract based on the contents of the offer. Once you have signed and returned the contract you will then be contacted to set up a date for the presentation of the official invitation. This will be undertaken during a visit to your group in the USA by the event director or one of the event patrons. You are not invited, and the contract is not valid, if you do not receive the official invitational visit.
